SUPPLEMENT SO 8705*

1. It was decided at a meeting on 13 October of the Convencion Democratica, which includes the Peruvian Communist Party and the Anti-Fascist Block, that the plan calling for dissolution of both houses of Congress and the holding of national elections cannot succeed. It was considered that a Senate quorum is inevitable, and therefore the Convencion Democratica will direct its efforts toward attacking the Sechura oil exploitation contract in debates on the floor of Congress.
2. Estimates as to the probable date when there will be a quorum in the Senate range from 17 October to 1 November 1947.
